

Dear District Two Community Leaders and Residents,

Enjoy A Night Out With The Police

Free Food. Free Beverages. Free School Supplies to highlight National Night Out

I would like to take this opportunity to personally invite you to the Cincinnati Police National Night Out, being held this year at the Mt. Washington Recreation Center on August 3rd, from 6 to 9pm. Everyone at District Two is looking forward to this great event; it's a great way to get to know the communities we serve. The goal of the event is to get folks out to meet the police so they may learn more about how we serve your community. We hope to foster lasting, positive relationships that benefit our work, your community, and most importantly our District Two residents.

I would appreciate you sharing this invitation with your residents, at community meetings or other gatherings. We will be distributing promotional posters to hang in local businesses, libraries, and other locations. Please contact District Two at 979-4480 if you need additional materials. If you would like to set up a booth at the event to promote your organization, please give us a call.

Mt. Washington's Recreation Center will be filled with displays, exhibits and activities from Cincinnati Police, local Community Councils, and other volunteer groups. Children will especially like the police dogs, horses, bicycles, fire trucks, and motorcycles. There will be a special Safety Town for young children and an education/job opportunity center for older youths.

Portions of the Greater Cincinnati Police Museum will also be on display, including its collection of photographs, uniforms, call boxes, a 3-wheel motorcycle, badges, handcuffs and firearms dating back to the 19th century. There will also be crime and safety prevention demonstrations and displays, special operations displays, and other interesting demonstrations for you to see how the police work each day to keep our neighborhoods safe.

This FUN and entirely FREE event takes place at the Mt. Washington Recreation Center, 1715 Beacon Street, just off Beechmont Avenue in Mt. Washington, August 3rd, from 6 to 9pm.

Thank you very much for helping us get the word out about this great event. I've included a printable poster for your reference. We hope to see you there!
